"I've never had a trainer able to keep my attention for that long before – thank you" (Delegate on S.A.T training)

"Fantastic trainer – outstanding level of training" (Delegate on S.A.T training)

"I miss you, your wonderful energy. I am very appreciated at work because of my achievement, so thank you for everything. I hope you will send me the newsletter, I want to send it to my son" (Apprentice on receiving her certificate)

"Wow, thank you so much! I wasn't very sure I would pass these, but I'm so happy that it went great. Thank you for your support through all of it. I couldn't have done it without you!" (Apprentice on completing L2 English)

**Big thank you to our wonderful Teaching & Learning delivery team** ★★★★★★

**Cool Training!** – Our Trainer and Safeguarding Officer Alina Hemkova (far left) conducted some of her training in the park near the training centre in Wolverhampton earlier this month. Alina receives excellent feedback from delegates on her training sessions, along with all her colleagues. We collated some of it (left) to show you all and give a big thank you to the teaching and learning delivery team for doing such a consistently excellent job!

"...Regarding Alina Hemkova, our trainer at NUL branch. I have had a couple of students come to me to compliment Alina on her presentation and training skills and knowledge. It was really enjoyed by the students and they stated that they really enjoyed the learning and felt very comfortable at the level that it was delivered. Alina is a breath of fresh air, always smiling and a pleasure to have visiting our office. I look forward to her joining us again soon" (Employer)

**Health & Safety** - Top tips for keeping cool in the hot weather: keep hydrated / shut the shades when it's hotter outside than in/ wear light clothes / run your wrists under cold water... What are your top tips?

**Employer Engagement** – the picture on the right features our Teaching & Learning Coach; Daniella Bardel, our Apprentice Claudia Awdi (receiving her certificate) and Claudia's Employer Noel Sweeney, Manager of Brighton Domiciliary branch. It is always great to see employers getting fully on board, supporting their staff in their learning journey and celebrating with us in their achievements. Claudia told me she couldn't have achieved so much without all the support she received from Daniela and her employer.

# INSPIRE THE WORLD'S HUMANITY

WORLD HUMANITARIAN DAY  
19 AUGUST #SHAREHUMANITY

On 19th August 2019, we celebrate World Humanitarian Day. The purpose of World Humanitarian Day is to raise awareness of the plight of civilians around the world who have become caught up in conflicts, and also honour and raise support for the humanitarian workers who risk, and sometimes lose, their lives to help.

Even though most people think that slavery only exists overseas, modern slavery in the UK is thriving. The British Government estimates that tens of thousands of people are in modern slavery in the UK today.

Most people are trafficked into the UK from overseas, but there is also a significant number of British nationals in slavery. The most common countries of origin are Albania, Vietnam, Nigeria, Romania and Poland.

Most commonly people are trafficked into forced labour in industries such as agriculture, construction, hospitality, manufacturing and car washes. Many women and girls are trafficked for sexual exploitation.

Many people, again mostly women and girls, also end up in domestic slavery. Others, particularly children, are forced into crimes such as cannabis production, petty theft or begging.
